MCA commercial coding available on Ocean Master, Harbour Master and Patrol RIBs, please discuss your commercial requirements with us.

## **HONDA MARINE**

**Highfield's preferred engine partner is Honda Marine. Both companies have a shared dedication to quality, design improvement, reliability and service that deliver an unbeatable package.**

All Highfield hulls have been specifically designed to work with the Honda engine range to deliver the best performance possible. Just speak to one of our expert stocking Dealers to find the right boat and engine combination for you.

All Honda outboard engines are also backed up by an industry-leading 6 year warranty\* for complete peace of mind.

To find your nearest stocking Dealer, visit [www.honda.co.uk/boatpartners](http://www.honda.co.uk/boatpartners) or call **0845 200 8000** (charged at local rate from landlines).

### **Still undecided?**

The Highfield RIB range is available exclusively in the UK through selected Honda Authorised Dealers.

If you need further guidance or specialist advice, they can help you make the right choice.

† Highfield 5 year structural and tube warranty for leisure use only. 1 year warranty on parts and fittings.

\* Honda 6 Year Warranty subject to following the service schedule.

The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. This publication shall not constitute in any circumstances whatsoever an offer by the company to any person. Brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if their model selection is dependent upon one of the features advertised.
